

Gympie Cooloola Region

Fossick for gold in Gympie

You can try your hand at gold panning in Gympie and relive the town's past era. This is a great excursion for all ages and provides educational fun for the kids.

Find out how James Nash turned Gympie into "the town that saved Queensland" when he discovered gold in Gympie in 1867, then with your own gold fossicking license you can try fossicking yourself. Who knows? Maybe you'll strike it rich!
